Painter - Professional Airless Applications

ST MAX™ II 395 PC PRO - ST MAX™ II 495 PC PRO - ST MAX™ II 595 PC PRO

ST MAX™ II PC Pro

Finish every job, every day!

ST Max™ II PC Pro

More **PERFORMANCE**, advanced **TECHNOLOGY** and extra features offers you every day reliability and ultimate user comfort, with **ST Max™ II PC Pro**.

When you need the increased productivity to handle medium residential and light commercial jobs, **ST Max™ II PC Pro** delivers the performance you want. Available for you in a compact stand version or the more featured cart version, offering direct suction, a kick back, hose wrap and toolbox as a premium.

It's for **YOU**, we equipped all **ST Max™ II PC Pro** with ProConnect™, ProGuard™, maintenance-free brushless motor design, Endurance™ Pump, Contractor™ Gun, SmartControl™ 2.5 and FastFlush™. Leading technology, helps you finish your paint job on time, every day with a smile!

SMARTCONTROL™

SmartControl™ 2.5 with FastFlush™

- Digital display shows pressure, liters and hours
- Digital brain, variable pressure setting, controlling spray fan and functionality
- Providing error messages and diagnostics, ideal for maintenance tracking
- Fast Flush™ high flow cleaning system runs faster and dramatically reduces cleaning time

FastFlush™

Save time cleaning your unit!
The FastFlush pump cleaning system cleans the unit up to four times faster using only half the water.

MaxPower Brushless DC Motor

- Higher torque = More work done
- Brushless design means that you will never need to replace brushes
- Totally enclosed, fan-cooled design protects the internal components of the motor from dirt, dust and overspray, 5 year warranty

ProGuard™+

Sprayer Protection System
Guards against bad or extreme job site power conditions (230V models only)

Your Perfect 'Buddy' for Renovation Jobs

ST Max II PC Pro Features

The combination of reliable performance and compact design makes the ST Max II PC Pro range the ideal product for interior painting of family houses or small residential jobs. You can easily spray almost all interior acrylic paints, emulsions, laquers, varnishes and enamels on walls, wood and metal surfaces.

The ST Max II 595 PC Pro outperforms all other models and can also be used for occasional façade painting.

Easy-Out™ Pump Filter

- Large filtering area reduces tip clogs and ensures a quality finish
- Inside out filter design filters won't collapse and cleans with only a few liters
- Vertical filter design removes simply with the cap, eliminates spill

On-Board Toolbox

Convenient storage container keeps tools, tips, filters and accessories where you need them most (Hi-Boy).

Features

Semi-Pneumatic Wheels

- Roll easily over rough terrain

Durable Cart design

- Thick chrome over steel to withstand rugged environments
- Retractable handle doubles as a hose wrap for simple removal of coiled hose
- Comfortable inlet suction allows suction of unthinned paint up to 30 liter buckets
- TiltBack™ easily allows one man bucket change

EXTEND YOUR REACH!

JetRoller™

The ideal renovation tool

Extend your sprayer with the JetRoller and minimize application time when combining rolling and spraying into one operation. Uses commonly available 18 or 25 cm roller covers.

Benefits:

- Reduces overspray
- Eliminates reaching
- Eliminates climbing and continually reaching up and down
- Completes large jobs in half the time of traditional methods

Kit includes a lightweight detachable roller frame, 50 cm extension, CleanShot™ Shut-Off™ valve, Inline™ gun, spray tip and guard.

Hopper

A convenient 5.7 liter hopper, compatible with all units

! TIP

With a spare pump ready, you'll always be able to finish your job!

Features

Exchange your pump easily **YOURSELF** in 3 steps in case any damage appears.

No more time wasted or money lost to labour charges on pump repairs.

Loosen the clamping nut

Open door and remove pump

Remove hose and suction tube

Fast Pump Replacement

- 1-minute job site replacement
- Keeps you spraying instead of waiting for service
- No pins or parts to lose!
